Ph.D. and Postdoc Positions in Information and Coding Theory @ Telecom ParisTech

The Digital Communications group at Telecom ParisTech has open Ph.D. and Postdoc positions in Information and Coding Theory. Telecom ParisTech is France's leading engineering school in Communication and Information Technologies.

Applications from students with strong theoretical backgrounds in Maths, Communications, Computer Science, or Physics are particularly encouraged.

Applications should be addressed to

Aslan Tchamkerten
Assistant Professor
aslan.tchamkerten@telecom-paristech.fr
www.telecom-paristech.fr/~tchamker

Michèle Wigger
Assistant Professor
michele.wigger@telecom-paristech.fr
www.telecom-paristech.fr/~wigger

and should include a detailed CV, a copy of academic transcripts, and at least two references.

Applications received by 02/15/2011 will be given full consideration.
